Invitation for Proposal to compile CMDA Strategic Plan

CMDA is inviting competent consultants to draft CMDA strategic plan (2010 to 2014).

Key areas of the plan:

The consultant should consider the following areas in the strategic plan. The consultant may include other areas which may be relevant.

1. Mission, Vision, and Values
2. Strategic Goals and Outcomes
 - Foster and enforce compliance with the securities laws and regulations
 - Establish an effective regulatory environment
 - Facilitate access to the information investors need, to make informed investment decisions
 - Enhance the C MDA's performance through effective alignment and management of human, information, and financial resources
 - Include strategies for Capital Market and Corporate Governance Institute.
3. Environmental issues

Other requirements:

- The consultant should be an experienced professional who should have been responsible for setting strategy and oversight of policy in a regulatory authority or had compiled similar plans
- The consultant should take into account the findings of relevant diagnostic studies in the financial sector
- The consultant should have significant experience in Capital Market regulation in developing markets. A working knowledge of the implementation of the best-practice principles and objectives of the International Organization of Securities Commissions is an advantage.
- CMDA will select the proposals based on experience and merit.

Deadline for Submission has been extended from 30th November 2009 to 10th December 2009.
